VANTAGE COLLECTION

William Hands

Our process starts with a single sheet of white paper, every mark a statement, every thought witnessed, every stroke adding meaning to a moment in time.

Our ideology and passion for creating the highest quality pieces of furniture demands that we only select the finest materials, meticulously crafting our products without compromise.

Founded in 1906 William Hands reputation for excellence is the result of exceptional service, craftsmanship and design. Manufacturing from the original site on which the company was founded, William Hands is a symbol of the success and evolution of the British furniture industry.

VANTAGE

A WILLIAM HANDS COLLECTION

AGILE ELEGANCE

The VANTAGE agile collection embodies the design and manufacturing philosophy of William Hands; architectural aesthetic qualities, considered proportions, clearly defined linear forms and beautifully refined signature details. Hand-crafted from the finest, sustainable natural veneers and solid timbers, expertly selected and finished to the highest possible standards.

VANTAGE has been specifically designed to be the most complete and fully integrated workspace, we have ever produced. With superior quality evident on every surface, edge and user feature, each VANTAGE piece exudes professionalism and success.
