

Soniq

Your comfort at work.

mikomax
smart office.

Soniq comfort, ergonomony and design.

Privacy

Strengthen the sense of privacy on open space.

Thanks to the wide range of walls sizes, you can easily create private space to work in focus.

Sound

Cut off from the noise of open space.

Used materials improve acoustics features. They meet the norm of high soundproofing PN-EN ISO 354: 2005

Mobility

One move. Fast, easy and convenient.

Mobile feet with rollers make it easier for you to move the wall.

Decoration

Quick office refreshment.

You can choose from three kinds of fabrics and a range of colours.

Soniq fits your office.
